

Guarav,

I wanted to personally thank you for the amazing work you and your team did on ranking my website. My website is in a highly competitive market and I was very impressed that you were able to get it ranked in such a little amount of time.

Not only was your communication exceptional but you always went above and beyond to explain things in a detailed manner.

Overall, I wanted to write this letter to say thank you in addition to endorsing you as an exceptional SEO professional.

Thanks,
