Dear Sir,

**LETTER OF APPRECIATION**

We would like to express our appreciation for the remarkable services rendered by you as our Ranking By SEO Project Manager. We started as novices to SEO and can safely say that now we have learnt a lot from our collaboration with you.

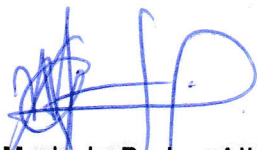

We would like to thank you also for the results we are seeing as a result of your hard work in helping us reach our goal of ranking higher in google search results and in making our website (Pizarea) more informative.

We can see these results from the increase in our customer patronage coming from the google search engine and we are happy to have made this investment with you and your firm.

We are looking forward to more good news and results from you and your firm in the coming months as we continue to collaborate.

It has been great working with you.

Yours Sincerely,
